To whom It may concern,

It is with great pleasure that I write this reference for the band "2 Play". They have played at Muddy Murphy's Irish Pub, Singapore twice in the past two years. More recently, during May 2002, when they performed at Muddy Murphy's Irish Pub for 11 nights to our ever demanding expat/local crowd.

Not only were they very professional and easy to work with on a business level, they also entertained our audiences with their lively brand of rock / pop. They gained quite a following after only a short time and contributed a great deal in particular to our Sunday "sessions" at Muddy's.

I have no hesitation in recommending the band "2 Play" to any future employer.

Kind regards,
